

# Mrs. GOULD'S CLASS

WEEK OF SEPTEMBER 28TH

## Chorus & Instrumental Music

*Fifth graders had an opportunity to "try out" chorus last week and regular chorus sessions begin this Wednesday. This week marks the second week of instrumental music lessons with Mrs. Powers!*

## ✧ Common Ground Fair ✧

*Our trip to the Common Ground Fair in Unity was incredible! Students had a great time searching for the energy sources that link to our classroom science studies. What an enjoyable day spent with a great group of 4th and 5th graders!*

### 4TH & 5TH GRADE LEARNING

Students have eased into a learning schedule spread across all

four classrooms:

Mr. Corcoran's,  
Mrs. Gould's,  
Mrs. Marc-Aurele's  
and Mrs. Pinkham's.

Students are settling in to our new math program and are writing narrative and realistic fiction pieces. The organizational skills

involved in traveling between classrooms can be tricky for 4th and 5th graders. Take some

time to discuss the responsibilities with your child and check in about how your learner is feeling. This is great practice for the middle school and is an

effective way to group students across the grades while meeting individual needs. Feel free to send an email, note or telephone call with any questions.
